

Warm Winter Wishes

We are grateful to you, our Sushi Ran family, for your friendship and support. This season is full of good news and great events to share with you. We hope you'll join us in celebrating!

Izakaya Sushi Ran is Open in San Francisco!

First of all, a huge thank you! We're super excited and grateful for the overwhelmingly positive reception to our new Japanese tavern-style restaurant! Izakaya Sushi Ran (former Nomico location) features a brand new menu of small plates, specialties from Okinawa (Yoshi's birthplace), and many popular items from Sushi Ran, including sashimi and favorite sushi rolls. You'll find a great selection of sake, killer cocktails and Japanese spirits. Best of all, you'll find Sushi Ran's classic brand of welcoming hospitality, and casual, professional service with a great neighborhood vibe. We hope you'll drop in soon.
