

Join Our Live New Year's Day Celebration

For many years we have hosted a traditional Japanese celebration on the first day of the new year, with taiko drumming, sake barrel breaking, an uplifting message and new year's affirmations. Though we can't gather as a crowd, thanks to technology, we will continue our tradition with a festive online celebration to start the new year on a high note! Please join us via zoom for the new year's celebration!

Friday, January 1st, 2021 at 1:00pm — [Zoom Link](#)

Bring Sushi Home for the New Year.

Sushi Ran is open for takeout! Treat yourself and your family during the holiday season. It's quick and easy to order online. Curbside pickup is touchless! And during these challenging times we are offering a 30% discount on many of our sakes and wines. Check out our beautiful new year's family sushi platters! Kanpai!

Join Our Paper Crane Project

The Japanese origami crane is said to symbolize good fortune and longevity, hope and healing. This year we invite you to participate in a special Sushi Ran "Gathering the Flock" project, by making a paper crane to celebrate our coming back together when it is safe to do so. When we are allowed to have our dining rooms open again, please come and add your crane to a special tree at Sushi Ran, as we gather our "flock" together once again. A pattern and instructions for making your paper crane are provided with the links below.

Go Fund Me

Thanks to the generosity of many, the GoFundMe campaign for Sushi Ran employees was a huge success! With this fund, we were able to provide a gift of \$300 to each of 57 employees who were laid off at the beginning of the pandemic—a time when it was most needed. We are happy to report that nearly all our kitchen staff and most of our service staff have now returned to work.

Thank You!

Gift Giving

Need a gift for a birthday or the holidays? To thank someone? Consider giving a Sushi Ran gift card! Available in any amount from \$5 to \$500, and they never expire.
